### Region V Leadership Conference

Volume 1, Issue 1

December 12, 2008

As the cold and snowy weather hit the other day, it reminded me of weather in early February, more specifically RLC day. Hard to believe it is less than two months away! I have included some of the details about the conference that you might need to know.

- December 8th-19th is the RLC Registration Window. Make sure to look for the email that Erik Sitts for the FBLA State Office sent you for your specific school information. If you did not get it, please contact Erik at 608-267-9259 or erik.sitts@dpi.wi.gov
- The RLC will be held at Milton High School. The address is 114 W. High Street, Milton, WI 53563.
- Please remember to send your pre-judged and skill events in by January 23, 2009. We will be judging early the following week.
- Students will have options for lunch, I will send out an order form to you in early January. The students will have 3 options for lunch. Big Daddy's Pizza (choice of toppings), Turkey or Ham Subs, or Tyson Spicy Chicken Sandwich. They come with a selection of Sun Potato Chips, a choice of Fresh Apples, a Cookie, and either Bottled Water or Gatorade to drink.
- The advisers and judges have the option of Pizza or Turkey / Ham Sub Sandwich. They will also have a Large House Salad to dish a salad from, Sun Chips, Fresh Apple, and a Cookie. They will have a choice of Bottled Water or Gatorade to drink.
- Entertainment has been finalized. We will be having Jim Wand join us for the afternoon entertaining the students. He promised us a great show.
- If you have a candidate for Region V Vice President, the paperwork is due to the State Office on Monday, December 15, 2008.
- State Officer Candidate nomination application forms are due to the State Office on January 9, 2009

If you have any question, please feel free to call or email me.

## Message from Erik at the State Office

When the advisers are finalizing their RLC registration, please verify that the grade levels are correct.

The national membership rosters had some problems with previous members' grade levels not saving when they were registered as members for this year. If membership was imported into our RLC database with the wrong year, advisers may still change the grade level in their RLC registration.

Here's guidelines that may help:

- Log-in to the RLC registration system at <http://www2.dpi.state.wi.us/fbla/>.
- Go to the "Register Participants" menu, select the "Preview Registration" link at the bottom.
- Review the grade level for each student. If any need to be changed, click-on the student's name on the left.
- Select the correct grade level from the drop-down menu and select the "Submit Change" button. This will save the changes and the roster will automatically be revised.
